

DCA

circular diffuser with fixed cones in white painted aluminium with butterfly shutter and collar

- cod. W11161760 - cod. W11161770 - cod. W11161780

DESCRIPTION

The DCA series white RAL 9016 painted aluminium diffusers are designed for use in conditioning, heating and ventilation applications, for both delivery and intake.

Their use is recommended in small rooms with heights from 2.5 to 3.5 m.

The special design of the diffuser ensure low pressure drops and reduced noise.

Easy to maintain and adjust, due to the possibility to remove the central cones.

The air flow is controlled by the shutters integrated in the diffuser.

DIMENSIONS

CODE	A [mm]	B [mm]	C [mm]
W11161760	260	150	220
W11161770	310	200	270
W11161780	360	250	320
