

Automatic hose clamp with front clamp in inches and millimetres and lithium battery, supplied in a carrying case

- cod. TSC600032

DESCRIPTION

The automatic battery-powered hose clamp, supplied in a convenient shockproof carrying case, makes it possible to create precise connections without any difficulty, as the clutch, once the connection is made, automatically clicks through vacuum.

Easy and quick to use.

Pipe cutter and deburrer complete the kit.

TECHNICAL SPECIFICATIONS:

- Power supply 9.6 V DC
