

Bending kit

- cod. TSC600081 - cod. TSC600082 - cod. TSC600083

DESCRIPTION

Bending kit that allows the copper pipe to bent, avoiding breaks, crushing or bottlenecks without having to eliminate the insulation from the copper pipe.

The bending kit is made of PE, a flexible and highly resistant material and consists of 4 pipes in rolls of 4 meters each, with dimensions identified by a colour code:

- red 1/4" (44 g)
- green 3/8" (135 g)
- yellow 1/2" (273 g)
- blue 5/8" (422 g)
- purple 3/4"

The bending kit is easy to remove and extract from the copper pipe after bending and can be reused.
