## Boiler resistance thread 1" 1/4

27000010 - 27000030 - 27000040

### TECHNICAL SPECIFICATIONS:

- 220 V single-phase
- Connection thread M 1" 1/4 GAS - ISO 228/1
- CW617N brass flange
- Copper resistance tube 8.5 mm
- Faston electrical connection
- Surface charging field on request
- With thermostat probe holder
- Full scale +70°C
- Single and double safety
- In accordance with EN 60730-I
