

TS-COVER SILENT BOX

soundproof box cage

- cod. SCD500450 - cod. SCD500451

DESCRIPTION

Aphonic cover cage in galvanized metal sheet painted in polyester for outdoor unit. Available in 2 base colours: IVORY and GREY.

The new cage is coated internally with sound-absorbing material that guarantees better performance in terms of sound insulation.

The cage offers protection against rain, hail and UV rays, ensuring that the unit operates in optimal conditions regardless of the weather.

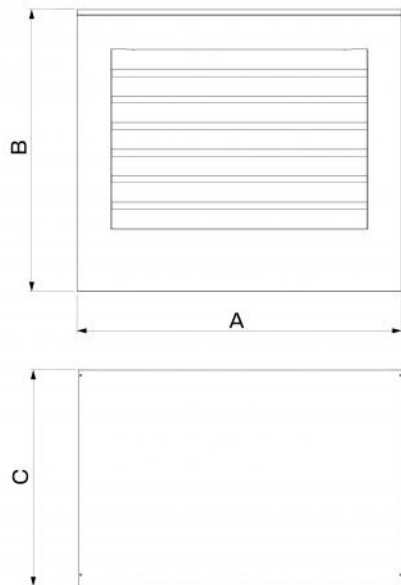

The cage is easy and intuitive to install and comes complete with assembly instructions, screws and arrangements for wall mounting.

On both sides there are built-in installation boxes for the passage of pipe duct and wiring.

Certified noise reduction of up to 13.3 dB(A)

APPLICATIONS

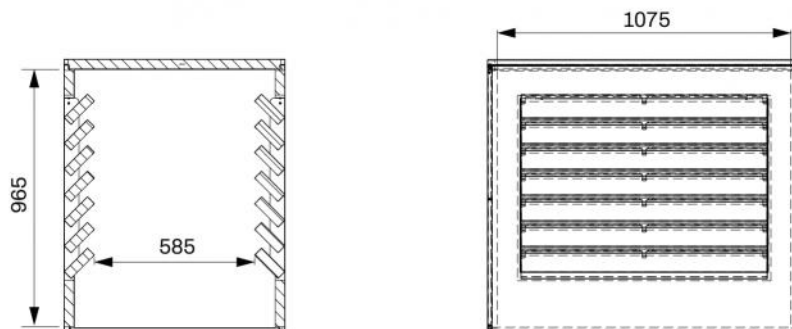

Ideal for applications with outdoor units fixed to the ground.

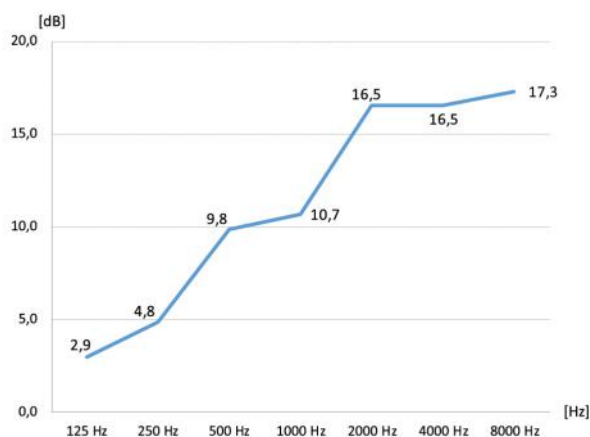

EXTERNAL DIMENSIONS

CODE	A [mm]	B [mm]	C [mm]	SOUND REDUCTION [dB(A)]	WEIGHT [kg]
SCD500450	1150	1020	810	13.3	35
SCD500451	1150	1020	810	13.3	35

INTERNAL DIMENSIONS

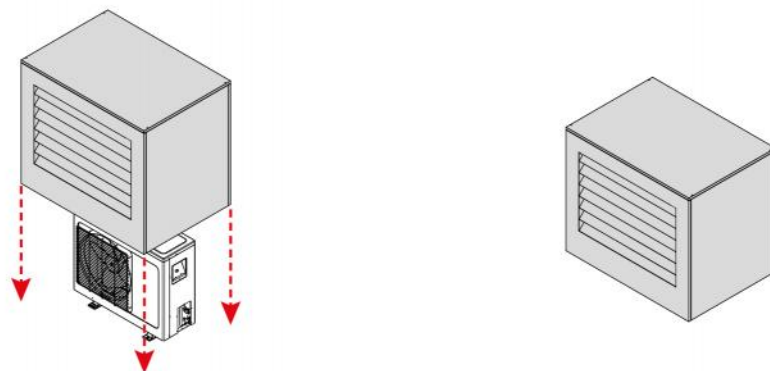

FREQUENCY ISOLATION CHART (according to ISO 11546-1)

NOTE

“Tests carried out at the Acoustics Laboratory of the Department of Industrial Engineering of the University of Padua in accordance with the methods of UNI EN ISO 11546-1”
