

DATASHEET

rev. 00 - 11/11/2022

Hose clamp with clutch for tubes in inches

TSC600026

DESCRIPTION

The hose clamp with clutch makes it possible to create precise connections without any difficulty, as the clutch, once the connection is made, automatically clicks through vacuum.

TECHNICAL SPECIFICATIONS:

- For 1/4" - 5/16" - 3/8" - 1/2" - 5/8" - 3/4" pipes
- Supplied in blisters
