

DATASHEET

rev. 00 - 14/11/2022

Hose clamp with clutch for tubes in inches and pipe cutter, supplied in carrying case

11132074E

DESCRIPTION

The hose clamp with clutch makes it possible to create precise connections without any difficulty, as the clutch, once the connection is made, automatically clicks through vacuum.

TECHNICAL SPECIFICATIONS:

- For 1/4" - 5/16" - 3/8" - 1/2" - 5/8" - 3/4" pipes
- Pipe cutters 4 to 28 mm
- Supplied in carrying case
