

DATASHEET

rev. 00 - 17/11/2022

Detergent for cold rooms 5 L

HCC100022

DESCRIPTION

Detergent particularly suitable for the treatment of cold rooms, both fixed and mobile. It is able to guarantee a perfect cleaning of the treated parts, eliminating annoying fumes that could contaminate the food stored later.

TECHNICAL SPECIFICATIONS:

- Tank 5 litres
- Dilute to 25%
