

ALTAIR POINT

built-in wired programmable chrono-thermostat with touch
STEALTH 3X

- cod. 11181454

DESCRIPTION

The chrono-thermostat "Stealth 3X" for "Altair Point" is applied, using the screws and the template supplied, inside the traditional recessed boxes type E503.

The programmable thermostat allows you to perform quick operations for the management of the zone, adjusting the temperature through the air flow out of the dampers or motorised grilles.

The dialogue data and the power supply to the damper or grille is via an 8-wire telephone cable with an 8-pole RJ45 plug connection.

Attention! It is not possible with the same thermostat to check the grilles and dampers at the same time.

FUNCTIONS

- Touch keypad and backlit display
- Timed or manual features
- Automatic or manual opening adjustment of damper and grille
- Key lock
- Temperature scale °C / °F
- RH display in %
- Room temperature and set point value
- Clock (AM - PM / 24h)
- Weekly and monthly programming
- Protrusion from flush wall 15 mm
- Ducted set point adjustment (if present in the system)
- Fan coil or ducted speed adjustment.

- The built-in power supply is available on request

TECHNICAL SPECIFICATIONS

TECHNICAL SPECIFICATIONS	
Power supply:	8-pin shielded and twisted cable or RJ45
Protection rating:	IP30
Operating temperature:	0°C ÷ +40°C
Storage temperature:	-10°C ÷ +50°C
Operating humidity:	20% ÷ 80% RH
Temperature control setpoint:	10°C ÷ 35°C
Measured temperature resolution:	0.1°C
Weight:	180 g
Body material:	ABS white
Front material:	white PMMA

DIMENSIONS

- [1] RJ45 connector
[2] Polarised 4-pin connector

FIXING

The mounting of the built-in chronothermostat on E503 type boxes by means of adaptor, screws and fixing plugs supplied.

It is applied using the screws and the template supplied, inside the traditional electric built-in boxes type E503.

The power supply of the programmable thermostat and the transmission of data with the control unit are carried out by means of 4-pole wired bus type wiring.

- [1] Adapter for box E503
- [2] Screw
- [3] Connector
- [4] Timed thermostat
