DESCRIPTION

Flanged round wall-mounted terminal for ducts of the EXCELLENS series, in high impact resistance plastic, recyclable.

The terminal was designed with a quick and easy slot-in fixing system.

The wall terminal has a large external flange with an innovative square shape, pre-cut slots for the discharge pipe outfeed and 3 pre-cut holes for wall fixing if required.

The characteristics of the innovative material allow it to be used with temperatures ranging from -20°C to +60°C for whites and from -20°C to +75°C for colours.

APPLICATIONS

Conditioning systems.

Wall installation both indoors and outdoors.

NON-SLIP PIN

There is a small pin on the upper shell of the terminal.
Drill the Ø6 duct to facilitate coupling to the pin.
This prevents the duct cover from slipping in vertical installations.

EXAMPLE

1

2

If the pin is not used, remove it with a cutter or pliers.
